13. In addition to thorough review of written work (e.g. notes, reports, or other written statements or documents), there must be sufficient observation of the Supervisee's work, whether in vivo or via recorded material, to enable the Approved Supervisor to provide accurate assessment of the Supervisee's performance.

Supervision must be continuous, and any interruption in supervision of more than six weeks must be reported to the Board, in writing, within the first month of the interruption.
